SPEAKER: Any further discussion? Are you ready for the question? All those in favor of advancing the bill vote aye, those opposed vote no. This requires 25 votes.

SENATOR MARESH: Call of the House, Mr. Speaker. Probably not, one more, there.

SPEAKER: Clerk will record.

CLERK: 26 ayes, 1 nay, 22 not voting.

SPEAKER: The bill is advanced. Senator Duis has called to my attention we had LB 134 on the noncontroversial list and it was at the request of Senator Waldron that we strike it off. Senator Duis, have you checked with Senator Waldron?

SENATOR DUIS: I thought maybe Senator Waldron could let us go ahead with this bill. He does have a couple of amendments that I don't believe are controversial at all that could be put on on Select File rather than holding the bill up here on General File, is that right or not, Senator Waldron.

SENATOR WALDRON: That's correct.

SPEAKER: In other words, you're ready to go with the bill, are you? The chair would like to make an announcement. SENATOR WHITNEY: Mr. President, the bill I don't think is controversial is LB 297 and I'd appreciate, I'd like to ask unanimous consent to put it up there to be considered in order.

SPEAKER: What's the number of the bill, Senator?

SENATOR WHITNEY: 297.

SPEAKER: LB 297, anybody have any objection to putting that bill on the noncontroversial list? If not, so ordered. Senator Duis. Senator Cavanaugh.

SENATOR CAVANAUGH: I think I would prefer to have 134 held over.

SPEAKER: It will be held over then. LB 572.

CLERK: Reads title.

SENATOR CARPENTER: Mr. President,

SPEAKER: Senator Carpenter.

SENATOR CARPENTER: I ask that the Clerk explain the bill because he has the responsibility to distribute it and also to obtain.

CLERK: Well, Mr. President, I first brought the bill to the attention of Senator Carpenter and the Executive Board on the grounds that when you passed LB 1 I didn't think that LB 1 as written really brought about what you had hoped to get, namely that each Senator now serving in the body gets two set of statutes and under LB 1 as amended you would each
